

Beanbags Activities

Hot Potato

- Play catch with a partner. Take turns saying the alphabet, spelling a word, skip counting, stating words that start with “__” or anything else.
 - Supercharge: Do this while doing ski-jumpers.

Quick Grab

- Have students sit facing each other. Place beanbag in-between them. Object is to be the first one to grab the bean bag after answer is heard (answer could be anything).
 - Supercharge: Have students hold a plank.

Around Spelling

- Students need a partner. Each partner thinks of a 4-letter word. Bean bag starts in Partner-1's left hand, who passes it to his/her right hand and says first letter of their word, then passes to Partner-2's left hand and says second letter. Partner-2 repeats this sequence. Partners repeat process once more stating the third and fourth letters of their words. Finally, both partners try to guess each other's word.
 - Supercharge: Run in place while doing this activity.

Fun with Scarves

Spelling

- Use item to 'air-write' spelling words, the answer to a math problem, a multiple choice response, etc.
 - Supercharge: Have students hop (on 1 foot).

Concentration

- Group students in pairs. Partner 1 tosses and catches/juggles 2+ scarves. Partner 2 names three (or more) items related to subject, pausing a second in-between each. Then, Partner 1 stops and attempts to name the same three items in the same order (Examples: name three spelling words, science terms, compound words, colors, factors, etc.).
 - Supercharge: Partner 2 performs jumping jacks

Trap-It

- Students face partner and grasp a scarf in their right hand and put their left hand (palm up) out in front. Student then hold scarf so that it is just touching the (left) palm of their partner. Students are listening for words that rhymes with _____ or a word with _____ syllables.
 - Supercharge: Partners do squats.
